

THEATER FOR THE NEW CITY

Dear Production,

Welcome to Theater for the New City. We're glad to have your production taking place at our theater and we welcome you to treat the premises as you would treat your home, with care and respect.

TNC is a non-profit theater organization that produces plays, helps artists, and celebrates performance culture through festivals and other events.

Our space is divided into 4 theater spaces. The Joyce and Seward Johnson Theater usually called "The **Johnson**", the **Cino**, the **Cabaret**, and the **Community Space**.

We operate differently than most other theaters in NYC. We have an open door policy that is based on mutual respect. That means our gallery space and lobby are usually open between 10am and 10pm, and we have wireless Internet in the lobby, which you may use for light research. If you need to have a small meeting with your cast or crew, please come drop by and hang out in the lobby. These meetings do not need to be scheduled, as long as they are not during our peak hours (5 to 9pm Thurs-Sat, 12-5pm Sun).

Because of the freedom TNC allows for the nurturing of artists, it can get hectic at the theater. Please learn from us with the rules and ordinances below, which will make your production run as smooth as possible.

The best way to get familiar with our theater is to hang out and get to know the many faces that frequent our space and help make the theater run. It can be a little confusing, so this document should help clear things up.

Before your show can properly be produced, please take note of these house rules and rules for promotion of your production.

YOU MUST READ AND ADHERE TO THESE RULES IN ORDER TO OPEN YOUR PRODUCTION ON SCHEDULE.

Thank you, we hope you have a fabulous and rewarding show!

If you will be rehearsing at TNC, please make sure your rehearsal dates are put in the rehearsal book in the office. All rehearsals must be approved by Crystal Field. Proposed schedules can be emailed to Crystal Field and Emily Pezzella.

III. PERFORMANCES

- A. The standard performance schedule is Thursday through Saturday at 8pm and Sunday at 3pm. Our Technical Director will be on duty 2 hours before performances to address any technical problems. If you have additional performances scheduled outside of these times, please note that the Technical Director will not be present.
- B. You have the right to arrive in your theater space 2 hours before your show starts.
- C. Post signs on all exit doors to your theater space to avoid someone walking in during your performance (there are people working at TNC all the time.)
- D. Do not start your show later than 15 minutes after scheduled curtain.
- E. A curtain speech must be given before the performance in accordance with fire code. Our House Manager will be available to make this speech. If you prefer to use your own, please contact the House Manager about what essential information must be included.
- F. All patrons and performers should vacate the theater within 30 minutes after the end of performances.

THEATER FOR THE NEW CITY

- VI. **CONCESSIONS:** TNC has its own concession stand that is managed by Alex Bartenieff. The concession is open on all performance nights and afternoon matinées. You may not give away any food or drinks without permission from Crystal Field and Alex Bartenieff.
- VII. **ALCOHOL POLICY:** We have a wine and beer license, but serving or consuming hard Liquor is prohibited. Please drink responsibility and do not share alcoholic beverages with cast members or crew who may be under 21 years of age.

I. ADMINISTRATIVE RESPONSIBILITIES

- A. **REACHING OUT:** Every email concerning Crystal or Emily should be cc'd to Jon Weber, Administrative Director. This will ensure that your requests have been addressed.
- B. **CONTACT SHEET:** A company contact sheet must be turned in to Jon Weber or Emily Pezzella 3 weeks before your show opens. This should include your cast/crew/producers names, phone numbers and emails.
- C. **TICKET PRICES:** Our Ticket Prices go from Free to \$20. Most shows have ticket prices of \$10, \$12 or \$15. We like most shows to sell \$10 tickets, but if your show is going to charge \$20 a ticket, you must have one performance a week Pay-What-You-Can. Please coordinate with Crystal Field regarding your ticket costs.
- D. **SmartTix:** Online ticketing is handled via SmartTix.com. TNC has an agreement with SmartTix and all productions (rentals excluded) must use SmartTix for their online ticket sales. There are no exceptions. You must provide the following information by e-mail to Jon Weber so he can set up your show: Performance Schedule, Ticket Price, Approximate Length of show, intermission time, Press Agent (if applicable), and if you would like to set up a discount code. TNC will not list more than 50% of the house for sale via SmartTix so as to accommodate Walk-up sales and complimentary tickets. If you wish to do otherwise, you must tell Jon Weber and the Box Office Coordinator, Bob Homeyer, what you plan to do in advance.
- E. **COMPLIMENTARY TICKETS:** Generally, we allow each show to offer two complimentary tickets to each performer/production staff member for the run of the show, and offer \$5 tickets to friends and family. If you wish to handle this differently, it is OK. If you wish to offer tickets to other services such as Goldstar or TDF, you may do so. If you wish to paper your house, we can offer tickets to our large Free Ticket Program, as well as to papering services such as Audience Extras or Play-by-Play. If you would like to do this, you must specify how many tickets you would like to offer and how you would like us to offer them no later than Tuesday of your performance week. Whatever you choose to do, you must meet with Bob Homeyer so we do not oversell or over comp the house. If you are compiling a list of production comps internally, you must give your list to Bob Homeyer 1 hour before the performance.
- F. **ACTORS EQUITY ASSOCIATION (AEA):** TNC is an "Equity Seasonal Showcase" Company. Any production that uses an AEA member must apply for the Showcase Code. You must set up your equity showcase code with Jon Weber. All communications with AEA are to be handled solely by TNC. Any questions involving AEA, i.e. casting, auditions, actors expenses, etc. must contact Jon Weber.

THEATER FOR THE NEW CITY

(You may only perform 24 performances or less in a 6 week period). Rentals can make their own Equity agreements, but in a TNC Resident production, the rules are as above.

- G. PROGRAM:** Your production is responsible for creating your program. Your program must be formatted in a standardized format that TNC uses (4 or 8 pages, folded in half and double sided), including proper credit for TNC at the top of the cover page. It must be approved by Jon Weber and Crystal Field. It is best to present two weeks prior to your opening. TNC will not make copies of your program except in an emergency situation (i.e. If you run out of programs before curtain time).
- H. PUBLICITY:** All printed material (press releases, flyers, programs, etc.) MUST be proofread and APPROVED BY CRYSTAL FIELD before printing. All printed material must credit TNC in LEGIBLE PRINT above the title in the following manner: "THEATER FOR THE NEW CITY (must be in caps), [next line] Crystal Field, Executive Director, [next line] Presents," prior to opening. Theater for the New City's name must appear no less than half the size of the title of the play. All shows will be listed on TNC's website (www.theaterforthenewcity.net) and a link will be provided to SmartTix for ticket sales. All Press Releases must read "THEATER FOR THE NEW CITY Presents" at the top of the Release. All flyers, postcards and any media output must have the logos for the New York City Department of Cultural Affairs (DCA) and the New York State Council on the Arts (NYSCA). It should say "This Production is funded in part by the DCA and NYSCA. You can contact Jon Weber for these logos or visit the websites of the respective agencies to obtain their logos.
- H1. POSTERS:** You may supply us with posters for our outside showcase boxes. All posters can be given to Bob Homeyer for display. Posters cannot be larger than 11"x17" as they will not fit in our boxes. There may be four shows going on. Space is limited and must be shared.
- H2. ScanLife:** All posters and postcards for your show should have our ScanLife image pasted on the postcard. This will allow people to scan and instantly reach our website. Contact Jon Weber to get TNC's ScanLife code.
- H3. CREDIT AGREEMENT:** All Resident and Presenting productions must sign off on our credit agreement. If you have any questions regarding the credit agreement, you must speak with Crystal Field.
- I. WEBSITE:** We list all productions on our website, www.theaterforthenewcity.net. You must contact Jon Weber about your production 1 month prior to your opening. - J. SOCIAL MEDIA:** TNC is on Facebook, Twitter, FourSquare, Yelp and other Social Media sites. Susan Hemley is in charge of the content on these sites. If you have anything you would like posted on any of these sites, please e-mail her at susanhemley@gmail.com
